A Life Changing Experience for Them!

(And a Break for You!)

Keeping your kids positively engaged during the summer can be overwhelming and expensive.

As part of the African Heritage Cultural Arts Center's Summer Arts Conservatory, children and teens can participate in a range of visual and performing arts, interact with new friends, have fun, and follow their dreams, all for an affordable tuition. Plus, they may qualify for scholarships down the road!

Early drop off begins at 7:30am. Classes are held from 8:30am to 5:30pm, giving you the opportunity to take care of yourself, your responsibilities, and your family, while your child is well-taken care of with our family. We even provide a free lunch and snack to make sure your loved ones have the energy they need to succeed!

About the Summer Arts Conservatory

The Summer Arts Conservatory (SAC) is a 9-week arts intensive program that provides students with a strong foundation in a multi-faceted visual and performing arts program. The conservatory provides children ages 5-16 a positive advantage if they are truly interested in the visual and performing arts.

Combining arts theory, life skills, and practice, the comprehensive schedule is designed to instruct students in a positive, arts-structured environment. Students ages 5-10 have a set schedule while students ages 11-16 have an opportunity to choose specific classes to match their interests and talents.

At the end of the program, students have a chance to shine at our art exhibition, fashion show, dance, theatrical and musical performance recitals at the end of summer.
